

VARIANCE CHECKLIST
Zoning Board of Appeals (ZBA)

To: Applicants for Variances
From: South Branch Township Zoning Administrator
Subject: Items required for Application: (attach to ZBA Application)

When a property owner in South Branch Township wishes to apply for a variance to the South Branch Zoning Ordinance, the following items must be submitted. Attach this completed checklist and related documentation to the ZBA Variance Application.

- Meet with the Zoning Administrator to review the request and discuss the procedures and requirements. If the meeting does not occur, the application will not be complete and the application will not be placed on the Zoning Board of Appeals agenda.
- When determination that the Variance is necessary, the following completed items must be submitted to the Zoning Office prior to the deadline for the up coming ZBA meeting.
- Pay Application Fee \$300. Make check payable to South Branch Township
- Attach a statement of justification. It should detail your reasoning why a variance should be granted to your property. The statement must specifically address how this variance request relates to the guidelines in the South Branch Township Zoning Ordinance. See the exact requirements in section 9.07 below.

Section 9.07 Variances (South Branch Township Zoning Ordinance:

The ZBA may grant dimensional variances when the applicant demonstrates in the official record of the hearing that the strict enforcement of this Ordinance would result in practical difficulty. To establish practical difficulty, **the applicant must establish all of the following:**

1. The need for the requested variance is due to unique circumstance or physical conditions of the property involved that do not apply generally to the other properties in the surrounding area, such as narrowness, shallowness, shape, water, or topography and is not due to the applicant's personal or economic hardship.
2. The need for the requested variance is not the result of action of the property owner or previous property owner (self created).
3. That strict compliance with regulations governing area, setback, frontage, height, bulk, density, or other dimensional requirements will unreasonably prevent the property owner from using the property for a permitted purpose, or will render conformity with those regulations unnecessarily burdensome.
4. Whether granting the requested variance would do substantial justice to the applicant as well as to other property owners in the district, or whether granting a lesser variance than requested would give substantial relief to the property owner and be more consistent with justice with other property owners.

5. That the requested variance will not cause an adverse impact on surrounding property values, or the use and enjoyment of property in the neighborhood, or Zoning District.

Attach a Site Plan or Plot Plan, drawn to scale, to the application. Your site plan should show the property boundaries, existing and proposed structure(s), adjacent roads, well & septic locations, and any other pertinent information which would help outline your proposed use. Please include on the site plan, dimensions of all existing and proposed structures and all distances between structures, as well as distances between property boundaries and all structures. The Zoning Administrator or ZBA reserves the right to ask for an engineered site plan, if they deem it necessary for evaluation of the proposed variance request.

Attach Directions to your property from Roscommon or Grayling. How to gain access to the property (especially if property sits far back off main road.)

Attach a copy of the property deed verifying current ownership.

Attach any other information you deem necessary to show cause why the variance should be granted.

If you have any questions about how to complete this application or need additional information, please contact the South Branch Township Zoning Administrator. Office hours are M – F, 9:00 a.m. to 12:00 noon. Email at zoningadmin@southbranchtownship.com or call (989) 275-8232

Plot or site plan drawing (Draw or attach).
